

HIGH TOP SEATING | ACCOMMODATES 20+ GUESTS

Our high-top seating surrounds our focal bar, and drives the pulse of the restaurant's ambiance. Tufted turquoise banquette seating is set above the crowd and perfect for energetic gatherings or Opium Hour parties. You'll be center stage as you dine, drink and socialize. If your group likes to be part of the action, this is the place to be!

EXCLUSIVE SEATING

For a group smaller than the space's maximum capacity, we have a room rate. This room rate provides exclusive use of the room and includes our Star Teal Menu Package. You may upgrade to the deluxe Star Black or Platinum Package for an additional fee. We also offer hosted bar options that can be customized based on your preferences and budget.

GROUP DINING MENUS

Designed to take groups on a tour through the flavors of Asia, we offer three tiers of Group Dining Menu. With a variety of options to suit any palate and budget, an event manager will guide you through the custom menu planning process to ensure a memorable experience each and every time.

Make your event a Star occasion!
