

SEMI-PRIVATE DINING ROOM | ACCOMMODATES 35 GUESTS

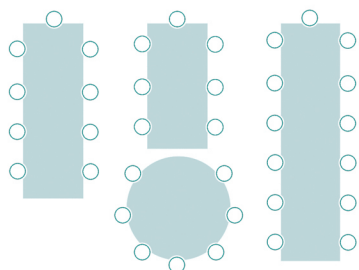

Our Buddha Room offers seating slightly separated from the bustle of the main dining area and focal bar. This comfortable dining space encourages your party to relax and converse in an intimate setting, while still enjoying the restaurant's ambiance. A perfect setting for business dinners and private parties, an elevated Pan-Asian experience awaits, in this semi-private space.

EXCLUSIVE SEATING

For a group smaller than the space's maximum capacity, we have a room rate. This room rate provides exclusive use of the room and includes our Star Teal Menu Package. You may upgrade to the deluxe Star Black or Platinum Package for an additional fee. We also offer hosted bar options that can be customized based on your preferences and budget.

GROUP DINING MENUS

Designed to take groups on a tour through the flavors of Asia, we offer three tiers of Group Dining Menu. With a variety of options to suit any palate and budget, an event manager will guide you through the custom menu planning process to ensure a memorable experience each and every time.
