

INTIMATE DINING SPACE | ACCOMMODATES 30 GUESTS

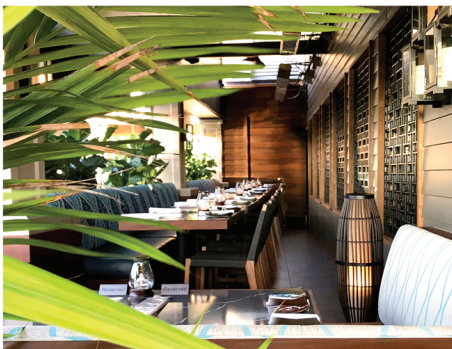

Our Starfish Patio boasts the quintessential coastal vibe - with seating surrounded by tropical foliage and an ocean breeze, this is the most intimate of our group dining spaces. Heated and covered with custom shades, your guests can relax throughout your event on our plush banquette seating, in this upscale outdoor experience. Designed as an extension of our interior space - enhanced with complete exclusivity.

EXCLUSIVE SEATING

For a group smaller than the space's maximum capacity, we have a room rate. This room rate provides exclusive use of the room and includes our Star Teal Menu Package. You may upgrade to the deluxe Star Black or Platinum Package for an additional fee. We also offer hosted bar options that can be customized based on your preferences and budget.

GROUP DINING MENUS

Designed to take groups on a tour through the flavors of Asia, we offer three tiers of Group Dining Menu. With a variety of options to suit any palate and budget, an event manager will guide you through the custom menu planning process to ensure a memorable experience each and every time.
